Case 02-12-037
(Filed December 26, 2002)

**ADMINISTRATIVE LAW JUDGE RULING EXTENDING COMPLAINANTS'
TIME TO SERVE TESTIMONY AND ADDRESSING THE PROCEDURAL
SCHEDULE FOR THE DISCOVERY DISPUTE**

Extension of Time to Serve Testimony

On April 1, 2003, complainants served a motion to compel discovery concerning the discovery responses by Pacific Gas and Electric Company (PG&E). In that motion, as modified by an e-mail note, complainants request until April 11, 2003, to serve their opening testimony because complainants state they need the information requested in the discovery to complete their testimony.

Under Resolution ALJ-164, PG&E has until April 10 to respond to complainants' motion and complainants' testimony is now due on April 8. I therefore grant the requested extension of time.

Procedure for Addressing Discovery Dispute

PG&E's response to the motion to compel shall be filed by April 10, 2003. In addition to filing and serving the hard copy of the response, I direct PG&E to e-mail its discovery response so that all parties and I receive it no later than 5:00 p.m. on April 10. I further direct complainants to arrange for a conference call for 10:00 a.m. on Friday, April 11 with all parties and me to discuss the motion and possibly scheduling issues. Complainants should notify all participants to the conference call how to access the call before Friday, April 11.

IT IS RULED that:

1. Complainants' request for an extension of time to serve their testimony is granted. Complainants' testimony is now due to be served by April 11.
2. PG&E shall respond to the motion to compel by April 10, 2003. In addition to filing and serving the hard copy of the response, PG&E shall e-mail its discovery response so that all parties and I receive it no later than 5:00 p.m. on April 10.
3. Complainants shall arrange for a conference call for 10:00 a.m. on Friday, April 11 with all parties and me. Complainants should notify all participants to the conference call how to access the call before Friday, April 11.

Dated April 4, 2003, at San Francisco, California.
